

HopeKidz Connections

Ever thought about being a pen-pal? We are looking for kids to become pen-pals with our friends in Tanzania. These children want to practice their English as well as get to know you. Please let your teacher know of your interest and you will be given a student's name with a letter they have written.

What is a Pen-Pal?

A pen pal is a friend you get to know through letters. Our friends in Tanzania attend the Nkungi Primary School and will write about their village, school, family, customs and traditions, special interest, or talents.
